

TAFT AUTO GIRL IN HOSPITAL

Visit of President's Wife to Little Sufferer's Bedside Lets Story Out.

BEVERLY, Oct. 11.—Not until Mrs. Taft, wife of the President, motored today to the Salem Hospital did it become known that the presidential automobile, in which Mrs. Taft was riding, struck and injured Wilfred E. Crowell, a six-year-old girl, in Salem last night.

The child's head was cut and her body bruised, but the injuries were not serious, and she was discharged from the hospital today.

Mrs. Taft was greatly shocked at the accident. She ordered Chauffeur Long to stop the car, and she herself picked up the child and hurried with her to the hospital.

Mrs. Taft gave instructions for everything to be done to make the child comfortable, and early this morning she returned to the hospital to inquire after the little patient.
